

FHI

Every day, professionals on the front lines of style are asked to create magic – often in the midst of chaos, under a difficult deadline, and with a multitude of people demanding their best; whether it's a first-time client entering their salon or an editorial spread for Vogue. No matter what the assignment, stylists have to prove they're equal to the challenge. While making amazing, breathtaking, awe-inspiring hair look effortless.

That's why FHI Heat is here. With every tool they create, they strive to give stylists more creativity, control and confidence. And at the same time, contribute to the health and well-being of their clients' most precious asset: their hair.

FHI Heat is relentless in its approach to producing the most innovative styling tools. You demand a lot from your performance and they demand a lot from our technology.

Come and see FHI at stand 2505. Here's to making beautiful hairstyles together!

Hairdressers on the move

Hairdressers on the Move are here at Hair Expo to help hairdressers build successful businesses across Australia and New Zealand and are known as a leading mobile hairdressing franchise in Australia through excellent service.

Hairdressers contemplating going into business for themselves and who like the idea of not working in a salon, flexible hours and earning a great income should consider a Hairdressers on the Move franchise.

With a huge demand for quality professional services to be done at home, Hairdressers on the Move are here to help qualified hairdressers provide that service and they are able to take you step by step through the process. It is a unique system, accessing top quality professional products matched with committed Franchised Owners. Hairdressers are able to work with less stress, do fewer clients and make more money.

With Hairdressers on the Move offering full training and support in all aspects of the business, it would be well worth the entrepreneurial in you to go and see them on stand 1808. They are also offering \$5,000 off your franchise when you sign up at Hair Expo 2008!
